

Overall Goal of UI Design

Provide an intuitive user experience for learners

- Visual UX design for increased level of user engagement
- Restructure content for easy access to the various types of training offered in LMS

Offer a more personalized experience for learners

- Added a widget to display all Learning Plans that a user is enrolled in as we continue to build and roll out learning pathways by function/role
- For easy access to compliance training requirements, added a tile to include courses all required courses

Manager Development Page

The screenshot shows a web application interface for Manager Development. At the top, there is a search bar with the text "Search content in the platform" and a magnifying glass icon. To the right of the search bar, it says "Active Users: 108 / 3000". Below the search bar is a blue navigation bar with a home icon and the text "Manager Development" and "L&D Manager Development Page".

The main content area features a header with "Academy" and "Manager Development". Below this is a section titled "Curated For you! (Managers)" which contains three cards: "LEADING SELF" (with a blue diamond icon), "LEADING OTHERS" (with a red pin icon), and "LEADING RESULTS" (with a yellow bar chart icon). Below these is a "Leadership Programs" section with the text "Access the First Time Manager Program & LEAD Program" and a button that says "ENROLL IN TIBCO LEADERSHIP PROGRAMS".

The bottom section is titled "Additional Learning Sites (Managers)" and contains three cards: "Manager Tips & Tools" (with a laptop and icons), "Jhana | A FRANKLINCOVEY® COMPANY" with the tagline "Bite-size learning for people leaders", and "FranklinCovey ALL ACCESS PASS™" with the text "Manager resources from Franklin Covey".
